

**Are you great with people and looking to get out of a 'job' and start a career? If so, Waypoint could be the perfect place for you!**

We are looking for a group of dynamic new employees for our Parksville/Qualicum offices and we begin our new broker intake training on July 24. This training will prepare you to begin a career as a licensed insurance broker and because we believe in investing in our people, we pay the costs. Once you complete the education you will begin working in either Parksville or Qualicum as you develop the skills you need to become a fully skilled insurance broker. As you grow as a broker you will find many career path opportunities open up and at Waypoint Insurance you will have lots of room to succeed.

How does a career differ from a 'job'?

- You have room to increase your salary based on the experience, education, and roles you take on.
- Defined holiday time each year
- Predictable office hours of work
- Full benefits program including retirement plan

We are looking for people that will fit with our teams and are hiring based on personality and potential. If you are looking to develop a career that is challenging, fun, and rewarding, contact us today by sending your resume and a letter telling us a little bit about yourself to Karyn Lehmann, Branch Manager at [klehmann@waypointinsurance.ca](mailto:klehmann@waypointinsurance.ca)
